MINUTES OF MEETINGS
OF THE
Board of Commissioners

DECEMBER 1920

NEWARK, N. J.,

December 2, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of November 24th, 1920, were read and approved.

Mayor Gillen:—Is there any citizen desiring to be heard on any matter?

Mr. W. B. Gwinnell, representing the Chamber of Commerce:—As the Commissioners will recall, there was a motion passed by your Board some time ago inviting the Chamber of Commerce to submit a list of applicants for the position of supervisor of purchases, standards and tests, and that the list should consist exclusively of residents of the City of Newark. The committee appointed by the Chamber of Commerce endeavored to give publicity to the matter through a

statement published in a bulletin and sent to 2,400 members and also by advertisement in four local newspapers. A number of applications were received and the committee is prepared to recommend three of these applicants for your consideration. Furthermore, the committee in their study of this subject feel there should be certain changes in this ordinance if a man of proven ability and experience is to be secured.

Mr. Gwinnell then presented the following report of the committee:

Chamber of Commerce
of the
City of Newark, New Jersey.

December 2nd, 1920.

To the Board of Commissioners.

Gentlemen:

In pursuance of the motion adopted by your Board October 14th, which read that the Chamber of Commerce should be invited to submit a list of men considered competent to act as Purchasing Agent of the City of Newark, that the list consist exclusively of residents of Newark, and that the

matter of salary be left an open question, a committee was appointed by the Chamber of Commerce, which submits to you the following as their report:

The committee has endeavored to give as wide publicity as possible to its appeal for applicants through a statement published in a bulletin sent to the twenty-four hundred members of the Chamber of Commerce, and also through advertisement in the local newspapers. A number of applications have been received, to which careful consideration has been given. Of the applicants the committee recommends three as in its judgment qualified by capacity and experience for the position of Supervisor of Bureau of Purchases, Standards and Tests, to use the title given in the ordinance.

One fundamental requirement, which, it is plain, must be met if a man of proper caliber is to be obtained for this position, is a secure tenure of office. The State Civil Service Commission was consulted, and it was found their records showed that by ruling adopted September 3rd, 1918, this special position was placed in exempt class of civil service. While this is so, there is a question as to exact tenure of office due to the wording of the ordinance, which reads, "to hold office during the term of the Board so appointing him." With reference to this the committee have consulted with your City Counsel, and, acting upon the suggestion made by him, would ask your consideration to changes in that section of the ordinance providing for the appointment of the supervisor, which would place this new official on the same basis as to tenure of office as other highly responsible city officials.

So far as concerns salary, the committee, as a result of its investigation, considered that the amount named as maximum compensation when the ordinance was passed, nearly three years ago, namely \$5,000, is too low, and would present to your consideration the advisability of a change in the ordinance, making the maximum salary \$6,000.

Appended to this report are the names of the applicants recommended, with copies of their letters showing qualifications and references.

The committee much appreciates the action of your Board in the acceptance of the proposal as made by the Chamber of Commerce, and sincerely trusts our action will prove of service to you.

Respectfully submitted,

Fred L. Eberhardt,

W. H. Ellis,

Wm. B. Gwinell,

Bureau of Purchases Committee,
Chamber of Commerce.

List of applicants recommended by Bureau of Purchases Committee, Chamber of Commerce of the City of Newark, N. J., for the position of Supervisor of Bureau of Purchases, Standards and Tests:

R. J. Bowman, 61 Lehigh Avenue,
Newark, N. J.

Samuel Gaiser, 117 Mapes Avenue,
Newark, N. J.

Arthur H. Wolfe, 725 High Street,
Newark, N. J.

Commissioner Archibald moved that the report be received and filed and copies furnished to each Commissioner.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Dr. William G. Hanrahan, 36-A Fulton Street, presented the following resolution:

Whereas, The City Commission of Newark, N. J., submitted to our people privilege of a referendum vote, elec-

tion held November 2, 1920, for the establishing of a municipal electric light, heat and power plant. The proposition was approved by a majority vote of our voters, approximating 5,000, and many false statements have been uttered to mislead and discourage our people by the opponents of this proposed economic creation; and,

Whereas, In the year 1881 only one municipal electric plant existed in the United States, and that has grown to the large proportions of 1,580 in 1916. That the establishing of municipal electric plants have, in many cases, reduced the cost of electricity less than one-half, thereby saving consumers many millions of dollars, as the following tables compiled in the past during normal times will show:

| | Private Ownership per Arc Light. | City Owned Arc Lights to City. |
|-------------------------|-------------------------------------|-----------------------------------|
| Cost Bangor, Me..... | \$150.00 | \$48.00 |
| " Bay City, Mich..... | 100.00 | 58.00 |

| Orange, N. J..... | 85.00 | 56.95 | 28.05 |

Cleveland sold electricity to household consumers at 3 cents per K. W. H., formerly 12½ cents K. W. H., under private ownership, and city management made profit in 1915 of \$217,-721.00.

Resolved, we members of the Federation of Improvement Associations highly commend our City Commissioners on stand taken by them in reference to proposed Municipal Electric Plant, to use every legal resource at their command in defense of a common cause, have the people a right to establish an electric or other plant by a direct vote. To consider advertising moderately to as set-off to false paid propaganda that was created by large advertising fund; to have survey made for the creation of a continuous unit or other system and consider Newark's water supply power (now wasted energy) the most economical power in the world.

Respectfully submitted,

Emory Ketcham,
William G. Hanrahan,
Edward Macksey,
Valentine Kane,
George Canniff.

November 29, 1920.

Dr. Hanrahan:—Mr. Mayor and gentlemen, this resolution speaks for itself. Citizens often are prone to condemn the governing body of a city when they think they do wrong, but many of us think the Commissioners were entirely right in this matter. You Commissioners should be highly commended for the stand you have taken and many citizens and taxpayers wish you to use every resource at your command to put this project into operation.

Mr. Oswald R. Routh, 73 Leslie Street, presented the following resolution:

We, the Federation of Improvement Associations wish to enter our protest against the action of the City Commissioners in the resolution adopted by them November 24, 1920, for the issuance of bonds to the extent of One Million, Two Hundred Fifty Thousand Dollars (\$1,250,000) for the deepening of the Channel of Newark Bay from the Central Railroad bridge at the Kill von Kull to the Port Newark Terminal for the following reasons:

1. That the deepening of said channel at the present time, is and will be for the exclusive benefit of the Submarine Boat Corporation.

2. That it is unfair to the citizens of Newark to place additional tax burdens on them for the benefit of a private corporation.

3. The Submarine Boat Corporation holds a lease from the City of Newark, upon the land they occupy, belonging to the City of Newark, for which they pay to the City of Newark, running over a period of ten years, an average rental of Fifty Thousand Dollars (\$50,000) per year, and which costs the City of Newark for interest and sinking fund, upon the bonds issued for the development, One Hundred Eighty Thousand Dollars (\$180,000) per year.

4. The Submarine Boat Corporation also possesses an option to purchase the lands they occupy for Twelve Thousand Dollars (\$12,000) per acre, and a further clause in said option, that the City Commissioners will obtain from the Legislature an enabling

act, permitting them to sell said lands and water frontage to the Submarine Boat Corporation.

5. The City Commissioners did not possess the power to enter into said option, agreeing to sell the water front lands, for the Act of the Legislature granting power to the city, to issue bonds for said development, expressly and specifically stated that the land within Two Hundred feet of the bulk-head line could never be sold and must always remain the property of the City.

6. The lease to the Submarine Boat Corporation specifically stated that the land was to be used for ship building purposes and any diversion from that purpose to other channels or business must have the sanction of the City Commissioners on application made in writing.

7. The Submarine Boat Corporation have departed from their original program to use the lands for ship building purposes, and have established a shipping corporation known as the Trans Marine Company, for the purpose of using the land for the berthing of vessels for export and import trade.

8. The Federation of Improvement Associations are not opposed to the Submarine Boat Company's occupation and use of the land for the original purpose set forth in the original lease to the Emergency Fleet Corporation of the United States Government. Now, therefore, be it

Resolved, That this Federation of Improvement Associations call upon the Submarine Boat Corporation to surrender the present lease that they hold from the City of Newark, upon the land which they occupy for ship building purposes and enter into a new

lease with the City of Newark, that will be equitable to the City of Newark and the Submarine Boat Corporation.

That they, the Submarine Boat Corporation, surrender the option to purchase said lands and guarantee to make no effort through Legislative or other methods to obtain undisputed control in fee simple of said lands.

That the counsel of this Federation be instructed to consult with the City Commission and the Submarine Boat Corporation in a peaceable and orderly manner to obtain the results above specified; and be it further

Resolved, That in case failure should attend the efforts of counsel of the Federation, as above specified; that the counsel of this Federation be instructed to at once begin legal proceedings to annul the lease and option that the Submarine Boat Corporation holds from the City of Newark.

Oswald R. Routh.

Mr. Routh:—Mr. Mayor and gentlemen, that matter in reference to the water front in Newark is a matter that you should give your earnest and deep consideration. It is something that has in it the future welfare of the City. If you will take into consideration the fact that the dockage of the City of New York, owned by New York, pays all the way from \$250,000 to \$360,000 for the use of a single dock, and with three docks placed on the land the Submarine now occupies, the rental should be at least \$1,800,000 a year. The other lands if developed will bring in revenues to the City of Newark of at least \$3,600,000 a year. Now, it is bad business policy, and I think a very foolish policy, to permit any organization to obtain control of that land through the transfer of a lease from a governmental organization to occupy that land for

practically nothing. We are paying \$180,000 interest on bonds for the land developed and we are receiving \$50,000, which amounts to a loss of \$130,000, or \$1,300,000 at the expiration of ten years. If the Submarine wishes to stay there, if they wish to play the game fair, they will at least consider the fair-minded proposition offered in that resolution, that they consult with you gentlemen and come to an amicable arrangement whereby they will pay an equitable rental for land they occupy which will be fair to them and fair to the City of Newark.

Commissioner Archibald moved that the resolution be referred to Commissioner Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Raymond Lemassena, 810 Broad Street, appeared before the Board and urged the Board to consider his offer to turn over to the City of Newark the charter of the New York and New Jersey Ship Canal Company for \$500,000, stating that the stock of this company consists of their rights under the charter granted them by the State of New Jersey permitting them to cut a channel 300 feet wide across Bergen Neck into New York Bay through what is now waste lands, and that the proposed ship canal through Bayonne under this charter would be a much cheaper and practicable project than would the deepening of the Newark Bay, as at present contemplated.

Commissioner Raymond. I would suggest, if you want my engineers to take this up, you better supply us with data as to cost and other data as to what you have; what stock goes with your offer and full data, not general statements. I do not think I am justified on mere general statements to put my engineers to work on this, unless you furnish us with full details as to what you have to give us. I would be very glad to do so if you will furnish this data with map of topography of that peninsula and what we have to go through.

Mr. Noah Geiger, 101 Wickliffe Street, representing the Federated Improvement Associations, appeared before the Board and requested the establishment of public comfort stations throughout the city and urged that immediate action be taken to provide these comfort stations as soon as possible.

Commissioners Raymond and Monahan stated they have this matter under consideration and expect to have a definite plan for the establishment of comfort stations within a month.

Commissioner Raymond moved that the title of "An Ordinance to provide for the vacation of Maple Place," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the title of the ordinance, as follows:

An Ordinance to provide for the vacation of Maple Place.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that an ordinance entitled "An Ordinance to provide for the opening and widening of Belleville Avenue and Bloomfield Avenue at the southwesterly corner thereof," be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald moved that the Commissioners attend the National Rivers and Harbors Congress at Washington, D. C., on December 8th, 9th and 10th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond offered the following ordinance, which was read by the clerk:

An Ordinance to provide for the construction of an eight (8) inch pipe sewer in Oakland Terrace and Cameron Road from the terminus of the present sewer in Oakland Terrace, north of Cameron Road, to the intersection of a proposed street with Oakland Terrace about 300 feet south of Cameron Road.

The Board of Commissioners of the City of Newark do ordain:

Section 1. That an eight (8) inch pipe sewer, to be used for house sewage only, together with house connections to the curb lines, shall be constructed in Oakland Terrace and Cameron Road, from the terminus of the present sewer in Oakland Terrace, north of Cameron Road, to the intersection of a proposed street with Oakland Terrace about 300 feet south of Cameron Road, under and by virtue of the provisions of an Act entitled "An Act Concerning Municipalities," approved March 27th, 1917 (P. L. 1917-319) and the supplements thereto, and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Raymond moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the ordinance be taken up on third reading and final passage on December 9th, 1920.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald moved that an ordinance entitled "An Ordinance prohibiting the sale and exposure for sale of meat in the City of Newark before inspection," be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the title of "An Ordinance to provide for the release and extinguishment of the public right arising from the dedication of that portion of 'A contemplated new road from the head of Market Street to Great Meadow Brook (but not yet opened) between Third Street and Second Street,'" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the title of the ordinance, as follows:

An Ordinance to provide for the release and extinguishment of the public right arising from the dedication of that portion of "A contemplated new road from the head of Market Street to Great Meadow Brook (but not yet opened)" between Third Street and Second Street.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Monahan offered the following ordinance, which was read by the clerk:

An Ordinance to amend Section 399 of the Revised Ordinances of the City of Newark (Revision of 1913), approved October 4, 1913.

The Board of Commissioners of the City of Newark do ordain, as follows:

Section 1. That Section 399 of the Revised Ordinances of the City of Newark (Revision of 1913), approved October 4, 1913, be and the same is hereby amended to read as follows:

Section 399. There shall be and hereby is created the position of Smoke Inspector. It shall be the duty of the Smoke Inspector to personally inspect all chimneys, smokestacks and other appliances for the escape of smoke, and he shall have authority in the performance of the duties of his office to enter any steam boiler, furnace or engine room of any building not occupied exclusively as a private residence; and any person or persons hindering or obstructing him in the performance of such duties shall upon conviction thereof in any court of competent jurisdiction be fined not less than ten dollars (\$10) nor more than fifty dollars (\$50).

"The Smoke Inspector shall make written reports of his work of inspection weekly to the director of the department to which he is assigned."

Section 2. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

Section 3. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Monahan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Thomas L. Raymond,
Charles P. Gillen,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Whereas, The amount held by the city in reserve in the Redemption Account on account of property sold for taxes, to the credit of property owners was Eighteen Thousand, Five Hundred and Thirty-eight Dollars and Eighteen Cents (\$18,538.18) on November 1, 1920; and

Whereas, Of this amount Five Thousand and Twenty Dollars and Thirty-four Cents (\$5,020.34) was for redemption from May 1, 1865, to November 7, 1901, and no claim has been

made on the city to refund these amounts up to this time; therefore be it

Resolved, That the Director of Revenue and Finance be and he is hereby authorized and instructed to transfer the sum of Five Thousand and Twenty Dollars and Thirty-four Cents (\$5,020.34) from the Redemption Account to Surplus Revenue Account; and it is further

Resolved, That hereafter if claim is made for any of these redemptions and the amount is approved, they shall be paid and charged to the Contingent Account.

Western Association of Electrical
Inspectors.

Chicago, Ill., November 23, 1920.

Hon. Mayor and City Council,
Newark, N. J.

Dear Sir:

The 16th annual meeting of the
Western Association of Electrical In-
spectors will take place in Detroit,
Mich., January 25, 26 and 27, 1921.

The world is turning a critical cor-
ner and every effort is being put forth
by the right thinking people of all na-
tions to develop wise counsel in coping
with the almost insurmountable diffi-
culties that present themselves on
every hand.

The rehabilitation of housing facil-
ities, seriously impaired by a restrict-
ed building program of several years'
duration, ably assisted by our annual
contribution to the fire waste, is only
one of the many grave problems con-
fronting practically every city, town
and village of this country, and the
ingenuity of its best citizens will be
taxed to the utmost in developing a
solution for them.

The constructive forces of every
community must be marshaled in be-
half of the municipality, if progress is
to be made along right lines.

The Western Association of Elec-
trical Inspectors has long recognized
that the conservation of life and prop-
erty is one of prime importance, and
to that end it has earnestly sought to
keep the electrical inspector abreast of
the times and to enable him to intelli-
gently perform his duty in safeguard-
ing the interests of the public in mat-
ters electrical.

Many an electrical inspector has
found a safe and rational way out of
his difficulties and received inspiration
for better work at the annual meetings
of this association because the pro-
grams are arranged to bring the mem-
bers into close touch with the leading
men of the industry and the many ex-
perienced inspectors present are al-
ways ready to extend a helping hand
to those needing assistance. No in-
spector can afford to miss the 1921
convention.

A copy of tentative program for the 1921 meeting is herewith enclosed.

May we be assured in the near future that your city will be represented by your Superintendent of Fire Alarm, Mr. Kane?

Yours very truly,

WILLIAM S. BOYD, Sec'y.

Ordered referred to the Director of Public Safety.

Raymond LeMassena,

Board of Commissioners,
Newark City Hall,
Newark, N. J.

Sirs:

Please appoint a time when I can appear before your Honorable Body and explain in detail plan of nineteenth-twentieth's stockholders, New York and Newark Ship Canal Company (all Newark taxpayers) for deeper water to New York Bay.

You will remember that it was outlined before you at public hearing held by Traffic Club in City Hall, about a year ago, when, if I am correctly informed, you were all present.

All important details now in are ready for immediate use. I am sure you will approve of this plan and immediate action will be taken for its adoption.

The saving to Newark, with advantages to be gained, are so great all should be pleased.

Newark can build it or United States Government, I have been promised, will, under one condition. The facts are ready for you.

Quoting our Honorable Mayor's words to me last Monday, which were: "That this matter was important enough to have had attention before this."

You will all be convinced that the deepening of the old bay channel at this time would be directly opposite what you expect it to accomplish for Port Newark. My proof is ready.

Please give immediate public hearing, and oblige,

Yours very truly,

RAYMOND LeMASSENA.

December 9, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

Absent:—Commissioner Archibald.

The minutes of meeting of December 2nd, 1920, were read and approved.

Commissioner Monahan moved that an ordinance entitled "An Ordinance prohibiting the sale and exposure for sale of meat in the City of Newark before inspection," be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

Mayor Gillen:—Is there any citizen desiring to be heard on any matter?

Mr. Patrick Tobin, 39 Crittenden Street, Newark, appeared before the Board and stated that under the proposed widening of Crittenden Street, fifteen feet of his property would be taken, which would prevent him from adding to his present house, as contemplated at the time he purchased it, and requested that the City give him fifteen feet on the east side of his property, which would not interfere with the plans for the street opening.

Mayor Gillen:—The only thing to be done would be after the City acquires the property, for you to make application to have the City vacate the part you desire.

Mr. James Murphy, 55 Bloomfield Avenue, objected to the amount of the award granted him for his property in connection with the opening of Crittenden Street, stating that he had been awarded \$20,000 for his property, claiming that he has been unable to duplicate his property anywhere north of Bloomfield Avenue for less than \$30,000, and that he had refused \$20,000 for it fifteen years ago.

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements of the City of Newark, awarding damages and assessing benefits for the opening of Crittenden Street from the southwesterly corner of Crittenden Street and Rowland Street, southwest-

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements of the City of Newark, awarding damages and assessing benefits for the opening of Crittenden Street from the southwesterly corner of Crittenden Street and Rowland Street, southwest-

erly to Bloomfield Avenue, as shown on a map on file in the office of the chief engineer known as No. 1196-O, be laid over for one week for further consideration by this Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

Mr. A. D. Marx, 15 Clinton Street, representing owner of property on the northwest corner of High and Orange Streets, objected to the amount of the award for damages to his property on account of the opening of High Street, stating that the amount allowed, \$8,500, was not sufficient.

Commissioner Raymond moved that the report of the Commissioners of Assessment for Local Improvements of the City of Newark, awarding damages and assessing benefits for the opening and widening of three portions of High Street, as shown on a map on file in the office of the chief engineer known as No. 1195-O, adopted February 19, 1920, be laid over for one week in order that it might be given further consideration by this Board.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

The following communication was received and read:

To the Board of Commissioners of the City of Newark.

Objections.

In the matter of High Street opening and widening.

I, owner of real estate to be taken and assessed for benefits for the widening of High Street, as set forth in the report of the Commissioners of Assessments for Local Improvements appointed by the Board of Commissioners of the City of Newark, to estimate, fix, determine and make all the assessments of damages and benefits for local improvements of the City of Newark, William Dimond, August Soffel, Bernard K. Judge, do respectfully object to the award for damages for the land to be taken.

The grounds for the objections are:

1. That the said award for damages is arbitrarily and irregularly made.
2. That the award for damages for the land to be taken is inadequate and unfair.
3. Because the award in divers other respects is irregular, unfair and insufficient.

Respectfully submitted,

FRANK A. BOETTNER,

Attorney for George A. Farnham.

Dated December 8, 1920.

Commissioner Raymond moved that the communication be received and laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

Mr. George F. Seymour, Jr., 20 Clinton Street, presented the following petition:

Petition.

In the matter of the application of the Newark Omnibus Co., Inc., a corporation of New Jersey, for permission to operate auto buses on the surface of the streets of the City of Newark.

To the Board of Commissioners of the City of Newark:

The petition of the Newark Omnibus Co., Inc., a corporation organized under the laws of the State of New Jersey, and having its principal office in the City of Newark, respectfully shows:

That, among the objects for which the Newark Omnibus Co., Inc., was the operation of auto buses for the transportation of passengers for hire;

That the Newark Omnibus Co., Inc., is desirous of obtaining the consent of your Honorable Body for the operation of buses over the surface of the streets of Newark;

That with the consent of your Honorable Body, auto buses will operate over the following streets, Broad Street, Saybrook Place, Front Street, Rector Street, Clinton Avenue, Market Street, Springfield Avenue, Park Place, South Orange Avenue, Elizabeth Avenue, Frelinghuysen Avenue, Pioneer

Street, South Street, Bay Avenue, Washington Avenue, Belleville Avenue, Lincoln Park, Pennington Street, Verona Avenue, Summer Avenue, Third Avenue, Carlisle Place, Clay Street, Bloomfield Avenue, Central Avenue, Orange Street, Halsey Street, Bank Street, Washington Street, Sussex Avenue, Warren Street, Humboldt Street, Bathgate Place, North Ninth Street, Fourth Avenue, Roseville Avenue, Wallace Place, Breintnall Place, Fleming Avenue, Ferry Street;

That your petitioner is desirous of obtaining such consent for a period of fifteen years;

That the specific routes to be followed by your petitioner in the operation of auto buses will be laid out in accordance with the wish of your Honorable Board, and the details of operation will be arranged in such manner as your Honorable Board shall direct.

Your petitioner requests that your Honorable Board shall adopt an ordinance allowing your petitioner the consent asked for.

Your petitioner prays that your Honorable Board shall fix a time and place for hearing this application and for the giving of public notice, and that the consent asked for may be granted in the manner provided by statute.

Dated December 9, 1920.

NEWARK OMNIBUS CO., INC.,

By Geo. F. Seymour, Jr., Attorney.

Mr. Seymour:—There are 420 auto buses operating today in Newark, and the Newark Omnibus Co., Inc., is composed of the owners of these buses. Each line has what we call a line or-

ganization and all men on that particular line are members of that organization, and they elect their own officers. The Newark Omnibus Co. is composed of the fourteen presidents of the fourteen lines in the City of Newark, and they have arrived at the conclusion there shall not be any stockholders and no persons interested except the owners of the buses.

There will be no outside capital of any kind, no stock selling, bond selling, no mortgages of any kind. We have today in the City of Newark the best bus service in the country. We would like it understood we are not fighting the Public Service Railway or the Public Service Corporation. We who are familiar with the Public Service equipment, know they could not carry the people if they had to. Our contention is that people of Newark deserve and need both the Public Service Railway and the auto buses, and we are coming to you and we want you to have this ordinance put into effect in order that we might be placed in a position to have centralized purchasing power and organize a unit service for the accommodation of the public. It has been stated that buses should be regulated. With all due respect to the department having control of the jitneys, I want to say that if the Public Service had had half as much regulation as the jitneys have had under city supervision, I doubt much if they could operate. We have had more regulation under city control than any public utility in the State. On the other hand, this regulation has been very helpful to the jitney and without that regulation I doubt if there would have been any bus service today. Our object is to afford the people an opportunity to be able to get to and from business and their homes at a low rate of fare. When the ordinance is

drafted, the rate of fare to be suggested will be 5c. We find in the operation of buses we can operate at 5c and make a profit, and we find that is possible only because we are not suffering from overhead.

There are no great number of officers paid for non-productive labor, and for that reason we are able to carry people for this fare. During the war we were operating at a loss, but we took that loss, knowing that when the reconstruction period came we would be able to make a profit on a 5c fare.

Commissioner Raymond: Mr. Seymour, will you prepare the ordinance?

Mr. Seymour:—Yes, sir; if you want me to.

Commissioner Raymond:—It is customary for the applicants for a franchise to submit the draft of an ordinance, and after we look it over we can suggest to you what we think should be changed.

Mr. Seymour:—I will be glad to submit an ordinance.

Commissioner Monahan moved that the petition be received and filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Raymond, Mayor Gillen.

Mayor Gillen:—Is there any citizen desiring to be heard on any matter?

Dr. William G. Hanrahan, 36-A Fulton Street, appeared before the Board and presented the following report of the committee appointed by the Mayor to attend the National Housing Conference at Bridgeport, Conn.:

To the Honorable Commissioners of the City of Newark, N. J.:

The committee selected to represent the City of Newark, N. J., at the National Housing Conference held at Bridgeport, Conn., December 9, 19, 11, 1920, have the following to report:

It is not our purpose to take the time of the Commissioners to submit a report in detail, as we feel it would simply be a review of what has been before the country for the past several years.

A great deal of theory and mighty few houses.

There were present representatives of some of the foremost financial institutions of the country, notably Mr. Walter Stabler, Comptroller of the Metropolitan Life Insurance Company of New York, whose company has made available \$50,000,000 for housing in 40 different cities and who have now \$20,000,000 more for the same purpose.

Mr. Stabler favors a bill that will encourage investments in mortgages by eliminating the Federal tax on mortgages for a term of years.

Mr. Charles O'Connor Hennessy of New Jersey made a fine address on the proposed Federal Building-Loan Bank System.

There was much discussion as to the effect of the new laws of New York relative to landlord and tenant in holding back moneys for home construction.

During the first morning session Dr. William G. Hanrahan addressed the convention on the necessity of immediate action in dwelling construction and relief from taxation on mortgages for home construction.

He notified the conference he would offer a resolution along these lines the following morning and moved that a committee of six be appointed to draw up the resolution, the motion being carried.

It was at this point the secretary of the National Housing Association of 105 East 22nd Street, New York, notified the conference that any resolutions offered at the conference must go to the Board of Directors of the Association for their acceptance or rejection, as they thought best.

The committee on resolutions were then obliged to frame their resolutions accordingly, as follows:

Whereas, Throughout our country there is a great shortage of dwellings that is affecting the morals and health of our peoples as well as retarding our natural growth and entailing hardships upon our men, women and children; therefore, be it

Resolved, We, delegates in conference of the National Housing Association of North America assembled at Bridgeport, Conn., respectfully request the Board of Directors to petition Congress by resolution along above-named lines, that it is the sense of this assemblage that there should be exemption from taxation on income derived from mortgaged loans on real property, to stimulate building.

Respectfully submitted,

Walter Stabler, New York City.
Frank E. Young, Syracuse, N. Y.
Arthur M. Secor, Buffalo, N. Y.
Cornelius A. Parker, Boston, Mass.
Mark Plotnick, Columbus, Ohio.
William G. Hanrahan, Newark, N. J.

George F. Canniff of Newark delegation, with others, then offered the following resolutions, which were adopted:

Whereas, We have learned that there is combinations in most of the material entering the construction of homes, said combinations being for the purpose of keeping up prices; and

Whereas, Investigations on this subject are now in progress in New York and Newark; therefore, be it

Resolved, That the National Conference, assembled at Bridgeport, Conn., go on record commending these investigations and strongly indorsing Mr. Samuel Untermayer for his untiring efforts in these investigations.

Respectfully submitted,

Edward Keenan, Rochester, N. Y.
George F. Canniff, Newark, N. J.

Resolved, That it is the sense of this convention that the excessive and unreasonable retail prices of building materials is a serious obstacle to any material progress in the house building industry.

Respectfully submitted,

Arthur M. Secor, Buffalo, N. Y.
Frank E. Young, Syracuse, N. Y.
George F. Canniff, Newark, N. J.

The resolution presented by William G. Hanrahan and his associates was discussed to some extent, but was adopted with only four dissenting votes.

Messrs. W. J. Morgan addressed the conference showing the urgent necessity of fewer words and more action. He very ably presented the deplorable side of the situation of the shortage of homes by reason of daily coming in contact with the people who are suffering.

Dr. Noah Geiger called attention to the vast sums being invested in theatres, garages and non-essential buildings, while humanity was being housed, if housed at all, in a congested manner that is in total disregard of health laws.

At 1:30 P. M., December 10th, those who purchased tickets for the occasion

made an automobile trip through Bridgeport, giving its attention particularly to the new construction brought about by the war.

We found upwards of 2,000 homes had been built, most of them of brick.

About one-third of them were built by the Bridgeport Housing Co., under the management of W. H. Ham, and two-thirds by the United States Housing Commission. All of these homes and apartments were built with a view to the comforts of the occupants.

Some of the groups have their heat furnished from a central heating plant. Ample playgrounds are provided for the children.

The rentals are moderate as compared with our own city.

We found homes and apartments of 4 and 5 rooms with bath renting from \$22.50 to \$25.00 per month, including heat. The rent of some of these homes were higher than these figures, but much less than similar quarters could be procured in this vicinity.

Our opinion is that Bridgeport is better provided with homes than any other city in the country, and while the general government did the greater amount of building, it must not be lost sight of that the large manufacturing interests with the City of Bridgeport did the first of the development work.

As to the benefits derived from the conference we conclude.

The eighth National Conference on Housing in America do not impress us

as a constructive body. They appear theoretical. We did not learn where they had built homes.

As soon as this idea was impressed upon the committee from this city, the Newark representatives busied themselves in mingling with the many delegates present and got individual ideas which we think can be worked out to good advantage to our home city.

So far as working in unison at the conference, it amounted to nothing, as all we would do would under the rules be submitted to the Board of Directors.

The secretary was asked when the Board would meet, and he replied he did not know. It might be three months or it might be a year.

We do not think their methods will produce the needs of the hour. The committee, however, do not feel the trip was fruitless.

The ideas gathered from the other delegates, together with the view we had of the new construction in Bridgeport, shall be worked out in concrete form and presented in the near future with the hope we will meet as responsive people in Newark as Bridgeport met when the necessity arose.

The demand for homes are greater today than for any period in the past ten years.

Much to the surprise of the delegates from all parts of the country, there was displayed many large posters in the assembly hall advertising the London, England, 6% housing bonds. Also an illustrated lecture by the secretary of the National Housing

Association on housing conditions in England and the superiority of the construction there over that in the United States. This proposition of bonds was placed before the convention the last day, and half of the meeting and the impression of the majority of delegates was that this was the principal reason of the convention.

Respectfully submitted,

Dr. William G. Hanrahan,

W. J. Morgan,

Dr. Noah Geiger,

George F. Canniff.

Dr. Hanrahan:—There was very little constructive work done, but Mr. Walter Stabler, Comptroller of the Metropolitan Life Insurance Company, brought up a question which in the minds of the Newark delegates was very important—that of exempting from Federal taxation money invested in mortgaged lands, in order to stimulate activity and put more money in that capacity. We found the convention somewhat of a closed corporation. Some of the local newspapers failed to give Newark delegates credit for the only real constructive thing that was done. We represented the city with respect, pride and dignity. One thing that struck our delegates very forcibly was that we felt this was British propaganda to the detriment of homes in this country. We found on the side walls huge posters advertising British London bonds at 6 per cent., and the day before the convention was over, a British newspaper offered for sale these bonds. We hope this Commission will do everything possible to further this movement to eliminate taxation on mortgaged lands. If that is done it will bring more money into the building market.

Commissioner Brennan moved that the report be received and filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Mayor Gillen:—I might say for the delegation that went from Newark that they done very good work at the convention, and, as Dr. Hanrahan has stated, they prepared and presented the most constructive plan.

Mr. Raymond LeMassena, 810 Broad Street: Two weeks ago today I was requested to communicate with the War Department in reference to the ship canal across Bergen Neck. In reply to my communication I received a letter in which I was informed that engineers from Commissioner Raymond's department had been there for information and they had given them a great deal, but if there is any further information they desire and they will make their questions direct, not of a general nature, they will supply it for us. If anyone here can tell me what they have not received or still need or want I will be glad to get it for them.

Mayor Gillen:—Commissioner Raymond is not present today, and I would suggest that you present this matter when he is here or send it to him.

Mr. Edward Powers, 47 Conklin Avenue, Newark, representing The Lining Store, 657 Broad Street: I would like to ask better protection for The Lining Store at 657 Broad Street. We would like a little better protection against street peddlers standing in front of our place, obstructing the

sidewalk and traffic in the street. They come there with wagons and automobiles and block the sidewalk and street.

Commissioner Brennan:—Last Friday I sent out an order to put them off the streets. I will look into it further today. I have had several complaints against these peddlers and sent out a special order to put them off the streets last Friday, and I assure you I will look into the matter further.

Commissioner Monahan moved that the matter be referred to Director Brennan.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Mr. George A. Kuhn, 110 Montclair Avenue, Newark: Traffic conditions here in Newark for a long time have been very difficult to manage in the center of the city. The congestion of automobiles parked along curbs impairs the safety of citizens who desire to get on cars and also interferes with the conduct of business. The situation is so serious that a group of gentlemen I have the honor to represent have given the matter very careful consideration during the last year with the view of working out some plan to relieve the city of that congestion as far as possible and at the same time not cost the city any money. In looking around we found there are a number of garages downtown that can take care of a limited number of automobiles during the day. There are also a few open parks where cars may be left during the day for a nominal sum. Our plan without going into details is to ask the Commissioners to

lease to these gentlemen the market property known as the Farmers' Market. The group I represent proposes to erect thereon a structure that will not interfere in any way with the present Farmer's Market. Our plan is to erect an overhead park, carrying it into the air on pillars which will not interfere with the Farmers' Market, so that it will have shelter and protected from the elements and provide space on upper floors for parking cars for a perfectly nominal sum. These gentlemen propose to pay the city a definite minimum rental for the use of that property and such further increase in rental as may occur through the profits that might be derived through the conduct of the business. We have gone very carefully into this thing. We feel that the City of Newark at this time cannot undertake such a transaction. It will cost in the neighborhood of one million dollars. We feel we have worked out these details very carefully and we have submitted a tentative plan and sketch of the proposed building which we desire to offer at this time, and I would like to go further into the matter at a later date. The plans are all ready and we can talk about it this afternoon if you desire. The building will be of reinforced concrete and brick construction and will have a capacity of about 500 cars on each floor. The books will be open to inspection and the City Commissioners may attend all meetings of this organization.

Mayor Gillen:—Have you any offer to make as to the amount of rental?

Mr. Kuhn:—Our minimum offer will be an annual rental of \$10,000 a year, and that would be considerably improved. It is a straight forward business proposition and will make it possible to handle the traffic situation a little more easier than at present.

Mayor Gillen.—How much would you charge per car?

Mr. Kuhn:—A very nominal sum. It would not be in excess of 25c for part of a day. We are not prepared to set a definite figure and we do not want to go on record on that, but it will be at a rate satisfactory to everybody that owns a car. Our proposition also provides that the city can take over this building at any time during the tenure of the lease upon the payment of the money we put into the building, the actual construction cost.

Commissioner Brennan moved that the proposition be referred to the Director of Parks and Public Property.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Mr. Kuhn filed with the city a plan of the proposed building to be erected on the present Farmer's Market, which was received and filed.

Commissioner Monahan:—I would like to invite these gentlemen to be present at the hearing we are going to have on the market tonight. I have a proposition I expect to offer tonight and I would like to hear the suggestions of the different organizations that will be represented, and I will take the best suggestions offered. My mind is open on this market question. The whole question will be open for discussion and I would like to have all the Commissioners present.

Mayor Gillen offered the following resolutions:

Resolved, That the sum of Thirty-one Thousand, Two Hundred and Seventy Dollars and Ninety-six Cents (\$31,270.96) be and the same is hereby appropriated to the City Treasurer as per annexed certified list, being the semi-monthly payrolls of the Department of Public Affairs from December 1st, 1920, to December 16th, 1920, as follows:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Whereas, Resolution No. 7315, passed on December 9, 1920, appropriated the sum of Five Hundred Dollars (\$500.00) to various persons on account of Excise License, 1920-1921; and

Whereas, Included in this amount was a Refund for Liquor License to Christ H. Beckmeyer, in the sum of Two Hundred Dollars (\$200). This is in error, as no refund is due Mr. Beckmeyer; therefore, be it

Resolved, That the City Clerk be and he is hereby authorized and instructed to cancel general warrant No. 1075, and that the resolution be corrected to read:

Excise License, 1920 and 1921..\$300.00

William J. Brennan,
Charles P. Gillen,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Resolved, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916, as amended by Chapter 240 of the Laws of 1917, there shall be issued Temporary Loan Bonds to the amount of Twenty-five Thousand Dollars (\$25,000) for the

purpose of temporarily financing sidewalk repairs, house sewer connections and shade tree improvements, which are now in course of construction or have been completed within six years, and are improvements for which the city is authorized to issue bonds by the aforesaid act; further

Resolved, That each of the Temporary Loan Bonds authorized by this resolution shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk are hereby authorized and directed to execute, in the name of the city, the bonds authorized by this resolution, subject to the provisions of Chapter 252 of the Laws of 1916, as amended; further

Resolved, That the Director of Revenue and Finance be and he is hereby authorized to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

The following communication was received and read:

Department of Parks and Public
Property,

Newark, N. J., December 15, 1920.

Subject: Re-sale of lands of City of
Newark to Samuel Orr.

The Board of Commissioners of the
City of Newark.
Addressed.

Gentlemen:—

In pursuance of a resolution passed by the Board of Commissioners on November 25, 1920, I advertised for sale on Wednesday, December 15, 1920, certain lands in the City of Newark, more particularly described as follows:

Beginning at a point in the easterly line of Washington Street distant southerly 131.14 feet from the intersection of the southerly line of Court Street with the said easterly line of Washington Street; thence (1) along the easterly line of Washington Street south 38° 33' west 4.50 feet to the north line of property conveyed by the City of Newark to Lydia B. Grimm; thence (2) along her line (now line of Samuel Orr) south 63° 57' 40" east 38.21 feet to a point; thence (3) north 57° 14' 10" west 37.49 feet to the easterly line of Washington Street and the place of beginning.

The highest bidder for said premises was Samuel Orr, at the price of \$300.

I accordingly struck off said property to said purchaser, in accordance

with said bid, said sum being the highest and best price which I could receive.

Yours very truly,

JOHN F. MONAHAN,

Director of the Department of Parks
and Public Property.

Ordered filed.

Commissioner Monahan offered the following resolutions:

Whereas, by resolution adopted by this Board on November 24, 1920, the Director of the Department of Parks and Public Property of the City of Newark was authorized to sell at public sale, to the highest bidder, certain lands and premises in the City of Newark, Essex County, New Jersey, described as follows:

Beginning at a point in the easterly line of Washington Street distant southerly 131.14 feet from the intersection of the southerly line of Court Street with the said easterly line of Washington Street; thence (1) along the easterly line of Washington Street south 38° 33' west 4.50 feet to the north line of property conveyed by the City of Newark to Lydia B. Grimm; thence (2) along her line (now line of Samuel Orr) south 63° 57' 40" east 38.21 feet to a point; thence (3) north 57° 14' 10" west 37.49 feet to the easterly line of Washington Street and the place of beginning.

And,

Whereas, In accordance with said resolution, the Director of the Department of Parks and Public Property did expose at public sale the interest of

said The City of Newark in said lands, and did receive therefor a bid of \$300.00, said bid being made by Samuel Orr, and did accept said bid; therefore, be it

Resolved, by the Board of Commissioners of the City of Newark, That the action of the Director of the Department of Parks and Public Property in accepting the aforesaid bid, be and the same is hereby ratified and confirmed; and the Mayor and the City Clerk of said the City of Newark are hereby authorized and directed to execute a bargain and sale deed, with covenant against grantor's acts, to the purchaser of said land or any interest therein owned by said The City of Newark.

John F. Monahan,
William J. Brennan,
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Whereas, Frederick C. Nadler, owner of premises hereinafter described, has agreed to sell the same to The City of Newark, free and clear of all liens, for the sum of \$13,500; and

Whereas, In the judgment of this Board, it is advisable for the City to purchase said property at this time; therefore, be it

Resolved, by the Board of Commissioners of the City of Newark, That the offer of said Frederick C. Nadler, to sell to said The City of Newark, for the sum of \$13,500, the property above

referred to, situate, lying and being in the City of Newark, Essex County, New Jersey, and more particularly described as follows:

Beginning at a point on the southerly side of Green Street, distant 350 feet 4 inches easterly from the corner of Broad and Green Streets; thence south 28° 30' west 89 feet 8½ inches; thence south 61° 20' east 21 feet 5 inches; thence north 28° 30' east 89 feet 9 inches to Green Street; thence along the same north 61° 30' west 21 feet 5 inches to the place of beginning.

According to a survey by Harrison Van Dyne in September, 1894.

Being the same premises conveyed to the said Frederick C. Nadler by deed from Joseph Hensler and Magdalena, his wife, dated September 27, 1894, and recorded September 29, 1894;

be and the same is hereby accepted; and the Director of the Department of Parks and Public Property be and he is hereby authorized to enter into contract with said Frederick C. Nadler for the purchase of said property at the aforesaid purchase price of \$13,500.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Monahan, Mayor Gillen.

Whereas, A contract to construct a bridge on Washington Street across the Morris Canal was awarded to Louis J. Sieling by the Board of Commissioners on May 27, 1920; and

Whereas, Under said contract the construction of entire new abutment walls, including foundation for same, was not contemplated; and

Whereas, By the construction of the said walls the amount of the contract has been materially increased and the time of completion of said contract considerably delayed thereby, thus making the financing of this work under the terms of the original contract an unfair burden on the contractor;

and

Whereas, Said contract is practically completed with the exception of minor details; therefore, be it

Resolved, That the contractor, Louis J. Sieling, be made a partial payment on said contract, amounting to 85% of the completed work, or Nineteen Thousand, Five Hundred and Thirty-six Dollars and Seventeen Cents (\$19,536.17), provided a consent in writing of the surety upon the bonds filed, in accordance with said contract, is filed with the City.

Board of Commissioners of the City of Newark, N. J.

W. J. EGAN,
City Clerk.

NEWARK, N. J.,

December 23, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of meeting of December 16th, 1920, were read and approved.

Mayor Gillen: Is there any citizen desiring to be heard on any matter?

Mr. Robert A. Osborne, 772 Broad Street, Newark, appeared before the Board and protested against present traffic conditions and entered protest against the streets being given over to fast vehicular traffic, stating the pedestrian has no chance whatever under present conditions, and urged that some action be taken to lessen the speed of vehicles and afford better protection to pedestrians.

Commissioner Raymond:—I think that both Broad Street and Clinton Avenue should be under the supervision of a traffic officer at every corner from one end to the other, no matter what the cost may be.

Commissioner Brennan: Personally, I would like to have it done, but it would require the doubling of all posts and the appointment of about 200 additional policemen. Everything possible is being done to eliminate speeding

and at the present time arrests for speeding are running into the hundreds.

The following communication was received and read:

Raymond LeMassena,
Real Estate and Insurance,
810 Broad Street.

Newark, N. J., Dec. 23, 1920.

Board of Commissioners of the City
of Newark.

Gentlemen:

Your attention has heretofore been called to the great advantage over the proposed plan to deepen Newark Bay channel to Kill von Kull by the use of the charter of the New York and Newark Bay Ship Canal Company, which has been submitted to you.

The known tonnage of shipping through Newark Bay during the year 1920 was over seven million tons. The charter above referred to, which provides for a toll of five cents per mile, and by the canal would be approximately two miles, would bring a revenue to the City of Newark in the sum of \$750,000, calculated on the present tonnage. This would be more than offset by the decrease in expense of operation by reason of the shorter distance by the proposed canal. In view of this fact, that the canal would be practically self-supporting, added to the additional fact that the project is less expensive in construction, isn't it more logical at this time to look further into the matter before taking definite action on the channel dredging, at least taking the opportunity of looking into the feasibility of the canal suggestion? Isn't it a duty you owe to the

tax payers of our city? Isn't it a duty you owe to yourselves to be satisfied that you are doing what is the very best before going ahead? The canal was thought to be the very best for the city when the charter was granted; the company was composed of the leading citizens of Newark and the United States Congress thought well enough of it to make an appropriation of one million dollars by an act passed in 1879. Are not these facts enough to attract your attention and not allow you to pass it by without the most serious thought and consideration?

Commissioner Raymond recently pointed out the enormous revenue which could be realized should Newark become a seaport. It is all true if Newark is the seaport, but by the dredging plan, you are making a seaport of other places, whereas by the canal Newark would be by far the largest benefactor. With the present obstacles, such for instance as the New Jersey Central Railroad bridge, it must of necessity be many years before the dredging can benefit Newark, whereas by the canal, work could be begun at once and the whole plan put in operation upon its completion. Enclosed brief goes more fully into detail and I trust will be read by the members of your Honorable Body. Mayor Gillen has already stated that the canal project had considerable merit and should receive attention. You know that copy of charter and all data is ready for presentation and the delay is caused by information Commissioner Raymond desires from the War Department. I am writing for him.

Yours very truly,

RAYMOND LEMASSEN.

Commissioner Archibald moved that the communication be referred to Com-

missioner Raymond to be taken up in conference with the Board.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond:—In connection with this Bloomfield Avenue matter, where we suggested slicing off part of that corner. I have been there several times and it is a very bad situation, and unless it can be taken care of by a general bond issue, I will have to withdraw the proposition, because I do not think it is fair to charge these improvements all over the neighborhood. It is a general improvement to relieve traffic conditions in Newark, and I feel where an improvement is made which is a benefit to the entire city, it should be taken care of by a general bond issue.

Commissioner Archibald:—I do not think all of these improvements should be placed in a general levy. I am satisfied with this particular improvement to have it taken care of that way, but not in every case.

Commissioner Raymond—This street if opened up will be a tremendous relief. We could take off this other corner at an additional cost of about \$20,000. Nobody objects to the improvement, except with respect to assessing the cost. It is obviously one of the worse sections we have. Some people came here with arguments against it, but their motive was that they did not want to pay the assessment.

Commissioner Archibald:—Could we not let the Assessment Commission

go along just as they have done and put the whole cost on the city?

City Counsel Congleton:—No, if you send it back to them, unless you specify otherwise in an ordinance, they are bound to assess property according to benefits received. Under the discharge of their duty, any piece of property benefited by this improvement, they would have to levy assessment on it.

Commissioner Raymond moved that, so far as this improvement is concerned (Belleville Avenue and Bloomfield Avenue widening), that it is the opinion of the Commission that it should be done by general bond issue, but that this is in no sense a declaration of a general policy, but that in this particular case this improvement should be made and done and the expenses assessed on the city at large as a general improvement.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond:—Mr. Brady has a suggestion for a policy in connection with these general improvements which I think is an excellent one.

Acting Auditor Brady:—Where there is a direct street opening through unimproved property, charge it on the abutting property, and where there is a corner cut off a street, making it a general improvement such as this, make it a general levy. If you cut a new street, for instance, back of the City Hall from Green to Franklin

Street, it would be a local improvement, but where a corner is cut off for traffic, make it a general improvement.

Commissioner Raymond moved that the suggestion of Acting Auditor Brady in connection with general improvements be adopted.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the ordaining clause of an ordinance entitled "An Ordinance to provide for the opening and widening of Belleville Avenue and Bloomfield Avenue at the southwesterly corner thereof," be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements awarding damages and assessing benefits for the opening and widening of three portions of High Street, as follows: Portion one, at the southeasterly corner of Eighth Avenue; portion two, at the northwesterly corner of Orange Street; portion three, at the southeasterly corner of Orange Street, as shown on a map on file in the office of the Chief Engineer, known as No. 1195-O, adopted February 19, 1920, be referred back for revision in accordance with the policy enunciated by the Board this morning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald offered the following resolution:

Resolved, That the report of the Commissioners of Assessments for Local Improvements of the City of Newark, awarding damages and assessing benefits for the opening of Crittenden Street from the southwesterly corner of Crittenden and Rowland Street southwesterly to Bloomfield Avenue, as shown on a map on file in the office of the Chief Engineer, known as No. 1196-O, adopted March 4, 1920, in the said city, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and the City Clerk is hereby authorized and directed to file a duplicate of said report in the office of the Comptroller of the City of Newark, on its confirmation, for collection.

Charles P. Gillen,
A. Archibald,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald moved that an ordinance entitled "An Ordinance prohibiting the sale and exposure for

sale of meat in the City of Newark before inspection," be laid over until January 6th, 1921.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald offered the following ordinance, which was read by the clerk:

An Ordinance authorizing the issuance of \$1,250,000 Port Newark Improvement Bonds of the City of Newark.

The Board of Commissioners of the City of Newark do ordain:

1. That pursuant to the Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916, constituting Chapter 252 of the Laws of 1916, as amended, bonds of The City of Newark, to be known as "Port Newark Improvement Bonds," are hereby authorized to be issued in the aggregate principal amount of One Million, Two Hundred and Fifty Thousand Dollars (\$1,250,000) for the purpose hereinafter stated, for which purpose it is necessary to raise said amount of money. Said bonds shall be of the denomination of \$1,000 each and shall be numbered consecutively from 1 to 1,250, inclusive. They shall be dated March 1, 1921, shall bear inter-

est from their date at the rate of five and one-half per centum (5½%) per annum, payable semi-annually on the first days of March and September, in each year until maturity, and shall mature in order as numbered (beginning with Bond No. 1) and in thirty-nine annual installments or series, payable on the first day of March in each year, as follows, viz: \$32,000 of bonds in each of the years 1923 to 1960, inclusive; and \$34,000 of bonds in the year 1961.

2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the following described improvements to be made by the City of Newark, pursuant to authority conferred by Section 13 of Article XXVIII of Chapter 152 of the Laws of 1917, and sub-division (J) of Section 1 of Article XX of said statute, and other statutes of the State of New Jersey, no part of the cost of which improvements has been or is to be specially assessed against property specially benefited, viz.:

(a) The making and construction of a channel or channels in navigable waters upon which front the lands heretofore acquired by The City of Newark pursuant to Chapter 272 of the Laws of 1907, and other statutes, for the purpose of constructing and establishing docks and shipping facilities (which lands and the improvements thereon are commonly known as "Port Newark Terminal").

(b) The filling in of said lands; and,

(c) The construction of bulkheads and docks on said lands and in the water adjacent thereto.

3. The following matters are hereby determined and declared pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The probable period of usefulness of each of the improvements for which bonds are hereby authorized to be issued, computed from the date of said bonds and within the limits prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is forty years, ending March 1, 1961. Said improvements are all of the class described in sub-division (U) of sub-section (2) of said Section 4, and none of them has yet been completed.

(b) The average assessed valuation of the taxable real property (including improvements) of The City of Newark, computed upon the next preceding three valuations thereof in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$386,473,200.

(c) The net debt of said City, computed in the manner provided in Section 12, is \$18,000,401.48.

(d) The statement required by said Section 12 (showing said net debt, etc.) has been made and filed with the City Clerk, as required by said Act.

The ordinance having been read once, Commissioner Archibald moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond.

Not Voting:—Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Archibald moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond.

Not Voting:—Mayor Gillen.

Commissioner Archibald moved that the ordinance be taken up on third and final passage on January 6th, 1921.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Raymond.

Not Voting:—Mayor Gillen.

Commissioner Raymond offered the following ordinance, which was read by the clerk:

An Ordinance authorizing the improvement of Port Newark Terminal.

Whereas, The City of Newark, being a city fronting on navigable waters of the State of New Jersey, has heretofore acquired marsh lands and other lands, riparian lands and lands under water within its corporate limits, under authority of Chapter 272 of the Laws of 1907, and other statutes of the State of New Jersey, for the purpose of constructing and establishing public docks, shipping and transportation facilities; and

Whereas, by resolution on October 28, 1920, The Board of Commissioners of the City of Newark (being the board or body having charge of public docks and public streets of The City of Newark), did determine that it is for the advantage of the City to complete the reclamation and improvement of said lands by the construction of channels and other harbor improvements; and

Whereas, In accordance with the requirements of Chapter 331 of the Laws of 1920 of the State of New Jersey, and pursuant to said resolution adopted on October 28, 1920, The City of Newark has secured the approval of the Board of Commerce and Navigation of the State of New Jersey and the permission of the Federal authorities in charge of the district port in which the improvements hereinafter mentioned are proposed to be made for the making of said improvements; now, therefore

The Board of Commissioners of the City of Newark do ordain:

1. That pursuant to the authority conferred by Section 13 of Article XXVIII of Chapter 152 of the Laws of 1917, and sub-division (J) of Section 1 of Article XX of said statutes, and other statutes of the State of New Jersey, the following described improvements are hereby authorized to be made by The City of Newark, viz.:

(a) The making and construction of a channel or channels in navigable waters upon which front the lands heretofore acquired by The City of Newark, pursuant to Chapter 272 of the Laws of 1907, and other statutes of the State of New Jersey, for the purpose of constructing and establishing docks and shipping facilities (which lands and the improvements thereon are commonly known as "Port Newark Terminal"), particularly the dredging of a channel at least 30 feet deep at mean low water and at least 200 feet wide in the government channel in Newark Bay from Kill von Kull to the channel leading into Port Newark; also dredging for widening and enlarging the Port Newark entrance channel and basin and also:

(b) The filling in of said lands, and

(c) The construction of bulkheads and docks on said lands and in the water adjacent thereto, particularly the construction of a timber bulkhead shoreward of the established United States bulkhead line along the southerly side of the Port Newark channel and basin at Port Newark, New Jersey.

2. No part of the cost of said improvements shall be specially assessed against property specially benefited.

The following communications were received and read:

Newark Advertising Men's Club,

Newark, N. J., December 22, 1920.

Board of Commissioners,
City of Newark,
City Hall, Newark, N. J.

Gentlemen:

Enclosed please find copy of resolutions adopted by the Newark Advertising Men's Club at a meeting held in the Downtown Club on Wednesday, December 15.

Very truly yours,

Newark Advertising Men's Club,

Chester A. Brown,
Secretary-Treasurer.

Whereas, The provision of safe, dependable, adequate and convenient local transportation service is a necessity to the business, economic and social life of Newark, and essential to its future growth and expansion; and

Whereas, The street railway is now, and must for an indefinite time continue to be the backbone of any such dependable system; and

Whereas, Because of increased cost of operation and its subjection to an inequitable form of competition, over

neither of which causes has it any control, the revenue of Public Service Railway Company, which serves the City of Newark, is not sufficient to pay the cost of service necessary to meet public needs, nor to afford such a return upon investment as will attract the new capital required to provide needed extension and betterments; and

Whereas, No enterprise of whatever nature can for long continue to do business at less than cost; be it

Resolved, That the Newark Advertising Men's Club favors such an adjustment in rates of fares upon Public Service Railway and such proper regulation of competitive facilities as will assure the public of continued safe, adequate service suitable to meet the full needs of the community and provide the company with sufficient revenue to enable it to meet its just obligations and make such extensions as the progress and development of the city require.

Ordered filed.

Real Estate Board of Newark,
New Jersey, 871 Broad Street,

December 20, 1920.

To the Honorable Board of
City Commissioners,
Newark, N. J.

Gentlemen:

Inasmuch as we have a standing committee on City Budget, to whom is delegated the duty to examine the budgets as presented by the various city departments, and be prepared to make some constructive report in time for the date set for public hearings we beg of you the use of copies of said

budgets at as early a date as possible, so that we may have ample time for such analysis and investigation of same as the importance of the matter requires.

Thanking you for such co-operation and awaiting your reply, we remain,

Very respectfully,

Edward Blau, Chairman,
Committee on City Budget.

Commissioner Archibald moved that the Board hold a conference on the budget on Tuesday, January 4th, in the Auditor's Office at 10:30 A. M., and that the communication be referred to that conference.

New Jersey Chapter of
The American Institute of Architects,
665 Broad Street,

Newark, N. J., December 9, 1920.

City Commission,
City Hall,
Newark, N. J.

Gentlemen:

At the last meeting of the New Jersey Chapter of the American Institute of Architects and the New Jersey Society of Architects, a resolution was passed directing the president to write the Commissioners of the City of New-

ark respectfully recommending the re-establishment of a City Plan Commission, with appropriation of sufficient funds to carry on its important work.

You will recall that the City Plan Commission was abolished, together with other bodies, when the commission form of government went into effect.

From time to time there are changes and improvements suggested in the arrangement of our streets and public improvements in the city, and there should be some competent body available that will have the means and the opportunity of studying the best layout for the city, and when thought advisable matters may be referred to it for investigation and recommendations.

We realize that any improvements in the layout of the streets will be expensive and bring forth protests from some of our taxpayers; nevertheless, if we are to keep ahead of and take care of the traffic on our streets a more comprehensive and workable arrangement of streets will have to be made. A City Plan Commission, made up of experts in various lines and serving without compensation, will be able to recommend improvements for the consideration of the City Commission.

We trust you will give this matter your favorable consideration.

Respectfully submitted,

JAMES O. BETELLE,

President.

Whereas, The City of Newark on July 2, 1920, issued its short-time obligations known as Temporary Loan Bonds, in the aggregate principal amount of Seventy-five Thousand Dollars (\$75,000) for money borrowed in anticipation of the receipt of money expended for openings, Chapter 8, Laws 1909, and Chapter 121, Laws

1912, said Temporary Loan Bonds being numbered A-133, dated July 2, 1920, and payable January 2, 1921;

and

Whereas, The improvement for which said Seventy-five Thousand Dollars (\$75,000) of Temporary Loan Bonds were issued was for openings, now in course of construction or have been completed within six years and are improvements for which the city is authorized by Chapter 252 of the Laws of 1916, as amended, to issue bonds, and the city is without funds to pay the said Seventy-five Thousand Dollars (\$75,000) of Temporary Loan Bonds; therefore, be it

Resolved, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission, approved March 22, 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds to the amount of Seventy-five Thousand Dollars (\$75,000) for the purpose of temporarily financing the improvement aforesaid and renewing said Seventy-five Thousand Dollars (\$75,000) of Temporary Loan Bonds issued therefor; further

Resolved, That each of the Temporary Loan Bonds authorized by this resolution, amounting in the aggregate to Seventy-five Thousand Dollars (\$75,000), shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of

interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk are hereby authorized and directed to execute in the name of the city the bonds authorized by this resolution, subject to the provisions of Chapter 252 of the Laws of 1916; further

Resolved, That the Director of Revenue and Finance be and he is hereby authorized to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

The following communication was received and read:

Commission on Building Districts
and Restrictions,
City Hall.

Newark, N. J., December 24, 1920.

The Board of Commissioners of
The City of Newark,
City Hall, Newark, N. J.

Honorable Sirs:

At a meeting of the Commission on
Building Districts and Restrictions,

held December 23, 1920, the enclosed ordinance amending Section 4, Article 1 of the Building Zone Ordinance was approved.

Respectfully yours,

R. B. Rankin, Secretary.

Ordered filed.

Commissioner Archibald moved that the ordinance be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Brennan moved that the title of "An Ordinance to provide for the vacation of Fourth Avenue, from Mt. Prospect Avenue to Clifton Avenue," be taken for its third reading:

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

The clerk then read the title of the ordinance, as follows:

An Ordinance to provide for the vacation of Fourth Avenue, from Mt. Prospect Avenue to Clifton Avenue.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

The following communication was received and read:

William H. Parry,
Counsellor-at-Law,
Union Building,

Newark, N. J., December 22, 1920.

Board of Commissioners of
The City of Newark.

Gentlemen:

I represent James Salakos, who on November 29, 1919, deposited \$500 in cash with David C. Fitterer, Clerk of Part 2, Third Criminal Court, as bail for Charles Trankas. Mr. Salakos desires to secure the return of his money from the city, as the Clerk of the Court in question has failed to turn the money over to the County Clerk.

Your truly,

WILLIAM H. PARRY.

Commissioner Archibald moved that the communication be referred to the Law Department.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Mayor Gillen: Is there any citizen desiring to appear before the Board on any matter?

Mr. Raymond Lemassena, 810 Broad Street: I want to ask if you will turn to motion of December 2nd in reference to the New York and Newark Bay Ship Canal matter? I have been informed that the Commissioners are waiting on my data. Under instructions that I received that day I was to obtain data from the War Department for Commissioner Raymond, and I reported at the very next meeting that I had applied for that data and had received a letter from the War Department stating that engineers from Commissioner Raymond's Department had been there and that they had been furnished with the data desired and that if Commissioner Raymond desired any additional information, if he would state fully just what was wanted, they would be glad to furnish it. Since then I have been waiting to hear from him and I cannot understand the delay.

Mayor Gillen: I think the delay is on your part in at least so far as the action of this Board is concerned. The Board passed a motion requesting you to submit to the Engineering Department all data regarding this proposition and you were to procure that data

from the Government and such other data as you might have in your possession. I would suggest that you take the matter up with either Mr. Sherrerd or Mr. Simpson.

Commissioner Monahan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

APPROVED:

THOMAS L. RAYMOND,

WILLIAM J. BRENNAN,

A. ARCHIBALD,

JOHN F. MONAHAN,

Board of Commissioners of the City
of Newark, N. J.

W. J. EGAN,

City Clerk.
